

FLEXIBILITY MEETS EFFICIENCY

Customised solutions for your next inventory

Are you looking for a customised solution for your inventory that is perfectly adapted to your needs? Then you have come to the right partner! Whether you need additional resources, state-of-the-art hardware and software or in-depth expert knowledge to carry out your inventory – we have the right plan for every requirement.

FLEX Basic

Our **Basic Plan** provides you with the ideal basis for smooth and precise inventory. We equip you with state-of-the-art hardware, intuitive software and reliable support so that you and your team can carry out the inventory efficiently. An experienced supervisor accompanies you on site throughout the entire process and is always on hand to advise you on how to achieve optimum results.

FLEX Advanced

The **Advanced Plan** extends the services of the Basic plan to include access to our qualified inventory staff. You decide how many additional employees you need for your inventory and we take care of the rest. During the inventory, you take control of our staff, making resource shortages a thing of the past.

FLEX Premium

The **Premium plan** offers comprehensive inventory planning over and above **Basic and Advanced**.

Our experienced experts analyse your current processes and work closely with you to develop a customised strategy to optimise your inventory. Through more efficient processes, we increase both the speed and accuracy of your inventory.
